RESPONSE AFTER FINAL

Box AF
Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Final Office Action mailed October 10, 2001, please consider the following remarks. These remarks, some of which are different than those earlier presented, are considered unnecessary to support patentability of the claims, which is why they were not earlier presented. Yet, Applicants urge that these remarks facilitate prosecution of this application and, as such, entry thereof is respectfully requested.

As this response is being timely filed within the three-month shortened statutory period for response, it is believed that no additional fee is due for the filing thereof. If, however, any additional fee becomes due, or credit payable, during the pendency of these proceedings, the Patent Office is authorized to charge or credit the same to Deposit Account Number 50-1273.

CERTIFICATE OF TRANSMISSION
(37 C.F.R. §1.8)

I hereby certify that this paper (along with anything referred to as being attached or enclosed) is being transmitted, via facsimile, to the United States Patent and Trademark Office on the date indicated below.
